

Fred Newhouse

Harold Macy Wood Lot Field Trip

Friday May 13th Car Pool departs Filberg Centre at 1:15 pm and returns around 4:00 pm. Car Pool maps available at Registration Desk

Fred has spent most of his life in the woods in various roles with the forest service, consulting and managing a crown woodlot. Over the years, he has realized that like a vineyard, a forest can grow and mature in response to climate, site, soils and the cultural practice. Increasingly he has become intrigued by the taste and flavor an individual can impart on the forest landscape, a woodlot terroir, and all the possibilities this suggests for diversity and emergence.

Fred will be leading a Field Trip to the *Harold Macy Woodlot*, on the slopes of Mount Washington, Friday, May 13th at 1:45. A Car Pool map will be available at the Registration Desk.
