Nuyumbalees Native Garden & Interpretation Trail

Located adjacent to the Cultural Centre, the Native Garden & Interpretation Trail will provide visitors with information on the traditional plant use, as well as hunting and fishing techniques. Framed by the Discovery Passage, the Native Garden & Interpretation Trail is the Centre's newest attraction. Featuring newly planted garden beds and interpretive signage, the site was officially opened in late Spring, 2015.

Nuyumbalees

Home to the Sacred Potlatch Collection repatriated from the Federal Government. Nuyumbalees includes the Interpretation Centre, the Art & Artifact Collection, Library, and Pre-contact Gallery.

The House of Eagles Carving and Education Centre

Located adjacent to the Centre, used for cultural performances and carving space for local artists. The House of Eagles features a historic photo collection.

The Man Behind the Masks: The Life & Legacy of Chief Billy Assu

On October 10, 2015, Nuyumbalees celebrated the return of Chief Billy Assu's House Posts and the opening of our newest exhibit.
