

Dan Buffett

Dan Buffett is the Head of Conservation Programs for the BC Coast Office of Ducks Unlimited Canada. He works with government, and non-government organizations as well as private landowners to protect and restore freshwater and estuarine habitat along the BC Coast.

Dan began working with Ducks Unlimited Canada as a summer student in 1989 and has worked in several capacities as a technician, land manager, planner and science lead. He completed

his Masters in Resource and Environmental Management from Simon Fraser University in 2006.

Dan will have a presentation on Wetland conservation and Resilience on Friday, May 13th at 11:20 at the Filberg Centre
