

Mandy and Charley Vaughan

Mandy and Charley Vaughan are long-time residents of the Comox Valley with an interest in all things natural.

Charley, past president of the Oyster River Enhancement Society, leans towards fish matters and birds while Mandy, caretaker of Comox Lake Bluffs Environmental Reserve, leans towards plants. They both take a keen interest in the effects of climate change.

Mandy and Charley will be leading the Bear Creek Park & Oyster River Hatchery and Wood Duck field trip on Saturday, May 14th, with a Car Pool departing the Filberg Centre at 1:30pm.
